

Submitter: Ali Abubakar

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB1166

Chair Jama, Vice-Chair Bonham, and members of the committee:

I am supporting SB 1166 because rideshare companies don't meet or pay to us Oregon minimum pay. They take over 60% of whatever the customer paid. They deactivate without reason, so we don't have job protection. We have no benefits at all, they do not recognize Paid Leave Oregon, FMLA, or any other employee benefits.

Please pass SB 1166.

Thank you,
