

Submitter: Afzal Mohamed

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB1166

Chair Jama, Vice-Chair Bonham, and members of the committee:

I think Lyft is taking undue advantage of drivers. We as drivers work tirelessly day and night and it doesn't seem rewarding at the end of the day. Every day Lyft finds ways to take money away from us to fill their pockets and satisfy their investors. When they change their rules and regulations, it's always a surprise to drivers, there is no transparency at all. We need fair pay and benefits. Please pass Senate Bill 1166.

Sincerely,

Afzal Mohamed
