

Submitter: Sean Wedgewood
On Behalf Of:
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB1166

Chair Jama, Vice-Chair Bonham, and members of the committee:

We need fair pay because we're struggling more than most. Our cars are deteriorating at a rate that we cannot keep up with because we cannot afford it, barely able to pay our bills— and that's after working 12 hr days, six days in a row. Please, we are an important part of society but treated like a disposable commodity. We need the help that we've been giving other people. Please pass Senate Bill 1166.

Respectfully,

Sean Wedgewood
