Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB1166

Chair Jama, Vice-Chair Bonham, and members of the committee:

We need fair pay because we are the drivers that do all the hard work. Why should Lyft and Uber make more money than us?

I'm renting a car with Lyft right now and I get paid 47 cents per mile while others get 70 cents per mile. There was a day where I did a ride from the airport to Salem, and the person paid \$126 and I got paid \$49 for 63 miles of driving.

If the pay was fair that wouldn't happen. I ask you to support SB 1166.

Thank you,

Muktar Ahmed
