

Submitter: Marisa Beltran

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB1166

Chair Jama, Vice-Chair Bonham, and members of the committee,

I urge you to support Senate Bill 1166. Oregon drivers deserve fair pay, overall protections, and health benefits to support their cost of living and daily lives. This provides them a great chance to support themselves and their families.

Thank you,

Marisa Beltran
