On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB1166

Chair Jama, Vice-Chair Bonham, and members of the committee:

I have been driving with Lyft for a year, working long hours for little money and there is also a long wait time at the airport. We need them to pay what is fair for each ride. Please pass SB 1166.

Sincerely,

Octavio Perez
