

Submitter: Avetis Ambaryan

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB1166

Chair Jama, Vice-Chair Bonham, and members of the committee:

Why should we have fair pay, benefits, protections? Because we deserve it!!!  
Because of crazy inflation, we can't make enough to provide our families.

Please pass Senate Bill 1166.

Thank you,
