On Behalf Of:
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB1166

Chair Jama, Vice-Chair Bonham, and members of the committee:

My Lyft account was deactivated six or seven years ago. I don't know why because it came from a complaint from a customer who smelled alcohol. During the time, I was drinking some energy drink like Red Bull or Rockstar, that's why it doesn't make sense. I went to the Lyft office but they can't do anything. They're supposed to be communicating between customers and drivers, but there's no communication at all. And the cost of living goes up and everything, but not our pay. Please pass Senate Bill 1166.

Sincerely,

Tseten Dhondup
