On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB1166

Chair Jama, Vice-Chair Bonham, and members of the committee:

We need to pick up passengers from a long distance away, and the money we get is not worth it. We use our mileage, our gas, our time, our effort, but what we get is not fair. So we want a fair price and also sharing the surge fees during busy times, coz we know how much they are charging customers at busy times, but they don't give surge to us anymore. Uber has also reduced the reservation fees for reservation trips. We need fair pay. I am asking you to support SB 1166.

Thank you,

Moe Aung
