SB179

Thank you for the opportunity to submit my thoughts on this bill. SB179A as it stands is a step in the right direction, however, I am concerned that Section 3 (c) only provides the requested immunity when a person is going towards recreation, etc., but not leaving recreation, etc. It is my hope that the intent of this section is for traversing to and from said areas, not only traversing to the said recreational purposes, gardening, etc.
