

Submitter: Abbas Farah

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB1166

Chair Jama, Vice-Chair Bonham, and members of the committee:

I am asking you to support Senate Bill 1166. There's a lot of problems in rideshare. The first problem is deactivation. And our pay is less than it should be. Please pass SB 1166.

Sincerely,

Abbas Farah
