Measure, Appointment or Topic: SB808

The State of Oregon has a distinct advantage taking care of it's Guardsmen. Not only do we provide support to our State, but we are also a part of the community. We are teachers, firefighters, police officers, construction workers etc. who are all committed to the State we live in. We spend our money in the local community, pay taxes and fund the economy we all live in. We are worth supporting for jobs.
