

Submitter:

Ayla Hofler

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB3489

Are you kidding me! You take away 50% of the harvestable timber with the messed up HCP and now you want to tax what is left??? Hell No on this bill. All the legislators who initiated this bill need to be recalled immediately. How dare them. Just spending money like drunk sailors!

Ayla
