On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB1166

Dear Chair Jama, Vice-Chair Bonham, and members of the Senate Rules committee,

My name is Anthony Quevedo, I live in Happy Valley, Oregon and I want to express my strong support for Senate Bill 1166 and its critical fairness standards for rideshare drivers in Oregon. I ask that you please pass this bill this session.

SB 1166 will mean drivers have fair pay standards and riders have fare transparency. It sets fair standards for why a driver can be deactivated and cut off from their access to income. It gives drivers the chance to earn sick leave. And it creates a driver resource center to support the diverse community of drivers in accessing and enforcing their rights.

I urge you to vote YES on SB 1166 and give drivers in our community a fair chance to offer us essential transportation, provide for themselves and their families, and be treated with dignity and respect here in Oregon.

Sincerely,

Anthony Quevedo
