

Submitter:	Jennifer Glowacki
On Behalf Of:	HCAO
Committee:	House Committee On Behavioral Health and Health Care
Measure, Appointment or Topic:	SB951

I support SB 951. Now, more than ever, we need to keep corporations and non-medical entities out of the healthcare field; keeping matters of health in the hands of professionals. Furthermore, the whistleblower protections are another key component of this bill. This ensures greater safety and practices overall. Please pass SB 951 for the good of all.
