

Submitter: Brandon Scarth

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure, Appointment or Topic: SB951

Hey there, I just wanted to say that you should definitely vote yes on the measure SB 951 as it will bring us back from the horrible Citizens United decision that the people had NO say over and basically screwed them out of a whole boatload of money that could have gone to them instead of the rich ONE PERCENT!!!
