

April 25, 2025

Co-Chairs Lieber and Sanchez and Members of the Joint Committee On Ways and Means,

On April 23, 2025, AGE+ proudly hosted our annual [Ageless Award Luncheon](#) and Fundraiser—On April 23, 2025, AGE+ proudly hosted our annual Ageless Award Luncheon and Fundraiser. This special event honors extraordinary adults, 75 years and older, for their contributions in our communities—not only for the impact they’ve made throughout their lives, but also for the vital roles they continue to play today. Through this award, AGE+ shines a light on those who go above and beyond to serve others, reminding us all of the lasting influence and inspiration older adults bring to our world.

During the award ceremony, we invited attendees to actively support House Bill 3497-A, which proposes the creation of a Shared Future Oregon Taskforce. This taskforce would be charged with developing a comprehensive Multi-Sector Plan on Aging (MPA) to strategically address both the challenges and opportunities arising from our aging population in key areas including:

- Housing
- Caregiving
- Health and Well-Being
- Workforce
- Economic Vitality

Below, you will find a table of individual signatories— public-private sector leaders, advocates, grass root champions, and community leaders—who respectfully urge appropriate funding for and passage of HB 3497-A.

Oregon’s future is multi-generational, and planning now ensures a stronger, more equitable tomorrow for people of all ages. We hope you will join us in this vital effort.

Please direct any questions on HB 3497-A to Maureen McGee at maureen.mcgee@tonkon.com.

With respect and appreciation,

Stephanie Hooper
President and CEO, AGE+
