Chair Jama, Vice-Chair Bonham, and members of the committee:

My Lyft app is permanently deactivated. One of the passengers complained about me. I didn't ask passengers personal questions, but my passengers complained and then Lyft permanently deactivated my app. I applied for help, still now my app is deactivated. I don't have a job right now. I humbly request for help. Please pass SB 1166. We need protections. Thank you,
Karna Sodari, Lyft driver
