To Whom it May Concern:

I am writing this letter to express my support for the proposed ADSS fee increase under HB 3174. After carefully reviewing the current financial situation and considering the long-term sustainability of the ADSS role, I believe that the fee increase is necessary to maintain the quality of services the ADSS provides. I am confident that the increased fees will allow the ADSS to continue offering valuable services to our communities.

Sincerely,

A handwritten signature in black ink that reads "Lois E. J. Harvick". The signature is written in a cursive, flowing style.
