

Submitter: cynthia mahoney

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: HB2819

I oppose this measure

1. There is not enough information on what will be considered another violation
2. Is this the new thought police, starting here?
3. The bill is poorly written, and other testimony has absolutely no idea of what it is either.

Clarify it to make sense or kill this bill and rewrite it.
