Committee: House Committee On Revenue
Measure, Appointment or Topic: HB3489

I am opposed to HB3489

Oregon Forrest Resources Institute is necessary to help the public understand our forests and the efforts that go into its management.

The American Tree Farm system is certifies good forest practices. Its members should get a tax break.

Forestry is a long term commitment. It should be encourage -- no over- taxed.

Sincerely Nancy Thornton -- We've been managing and growing trees for over 90 years.
