

Submitter: Angie Muresan

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB3838

I have been an adult care home provider for many years. Our industry strives to create a home-like environment for the population that we serve, in a small home-based setting. I strongly oppose HB 3838 as it will create a hardship on the adult care home industry of Oregon, forcing many to close.
