

Submitter: Jane Stackhouse
On Behalf Of: Rural counties
Committee: House Committee On Revenue
Measure, Appointment or Topic: HB3489

Members of the House Committee on Revenue

I support this bill because those making a profit off trees should pay when they sever a tree. We had such a tax on years past that supported rural counties with forest lands. For some reason, I have not been able to find a reasonable explanation, this tax was stopped and counties have been suffering.

Reinstating a severance tax, especially one that encourages long term growth, will help our environment and local revenue. Please vote YES
