

Submitter: Celeste Stephans

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure, Appointment or Topic: SB951

I have been a clinician for 33 years. And all facets mainly dental. I support Bill SB-951. Corporations are interested in making money they are not at all interested in the welfare of people who use our services. Anything that we can do to fight back from corporations getting into our health care I support wholeheartedly
