Members of the Joint Committee on Ways and Means:

I am here to urge your support of HB 2979, which provides funding for Oregon's farmers, ranchers, food hubs, and farmers markets.

Oregon's small farms and ranches, and the outlets where they market their products, are increasingly threatened by extreme weather events and wildfires. Supporting the Food Systems Resilience Programs in HB 2979 means investing in climate resilience, disaster preparedness, conservation and stewardship, rural economic development, and thriving small businesses all over our state. These investments benefit not just farmers and local food outlets but entire communities by fostering access to healthy, local food, creating hubs for community engagement and expanding nutrition incentive programs.
