

Submitter:	Paul Emge
On Behalf Of:	SB 951
Committee:	House Committee On Behavioral Health and Health Care
Measure, Appointment or Topic:	SB951

Physicians need to make medical decisions. Hedge funds, and other non-medical groups have NO business interfering with medical care. We have enough problems with prescription drug providers as it is. We can't have other companies stealing from us, while we lose medical benefits, and their officers get billions of dollars!
