

Submitter:	Adrian Pop
On Behalf Of:	Care homes
Committee:	House Committee On Rules
Measure, Appointment or Topic:	HB3838

I oppose this measure because it would hurt small businesses with more regulation when we are already regulated every year at least 2 times a year with inspections. This would also make it harder for us to find caregivers and would make the costs go up for our residents, who would ultimately hurt and have less options for care when they need it.
