Measure, Appointment or Topic:	HB3838

I am strongly opposing HB 3838. I am an RN and AFH owner for more than 20 years. SEIU503 and SEIU does not represent me! They never informed me about their proposals and mislead Salem in saying they did. My business is run by me, my husband and one caregiver. My daughter is entering the nursing program this year to help with the family business. This is a family business! The caregiver we've employed for the past 5+ years was able to finish her college and advance her studies while we offered her room and board, emotional and financial support. She became part of our family. Adult Care Homes in Oregon are mom and pop type of business, and this bill will greatly affect the concept. We are already inspected by DHS, Ombudsman, case workers, Home Health Agencies. We go above and beyond for our caregivers because we entrust them not only with our businesses but with our homes and livelihoods.

This bill does not represent us!
