Hello Dear!

As a care home provider in Oregon, I'm deeply concerned about House Bill 3838 and the impact it will have on those I care for. Adult foster care homes are different from other types of long-term care facilities, so this bill will greatly affect our industry and push most of the care home to closure. Please reconsider the impact of this bill on small adult foster care homes businesses and the vulnerable people we serve and oppose HB3838.

Thank you!
