

Submitter: Angela Fairless

On Behalf Of:

Committee: House Committee On Behavioral Health and Health  
Care

Measure, Appointment or  
Topic: SB951

Thank you for considering this bill & supporting reasonable & accessible healthcare for Oregonians.

Corporate profits should not be dictating anyone's healthcare. It shouldn't even be a factor to consider.

Thanks again for your work & support on this bill!  
with gratitude, Angela Fairless
