SB1166

Dear Chair Jama, Vice-Chair Bonham, and members of the Senate Rules Committee,

My name is Erik Horeis. I live in Redmond. I want to express my strong support for Senate Bill 1166 and its critical fairness standards for rideshare drivers in Oregon. Please pass this bill this session.

SB 1166 will ensure drivers have fair pay standards and riders have fare transparency. It also sets standards for why a driver can be deactivated and cut off from income. It allows drivers to earn sick leave and creates a driver resource center to support the diverse community of drivers in accessing and enforcing their rights.

I urge you to vote YES on SB 1166 and give drivers in our community a fair chance to offer us essential transportation, provide for themselves and their families, and be treated with respect and dignity here in Oregon.

Sincerely,

Erik Horeis
