Measure, Appointment SB947  
or Topic:

The military act of 1903 apparently hasn't been read by the sponsors of this bill. So I will give you the cliff note version, Title 10 of the U.S. code, section 311 designates the two classes of the militia, the Reserve Militia all able-bodied men between 17 and 45 and the Organized Militia consisting of the National Guard. Also you should look at the National Defense Act Amendment of 1933 which makes the National Guard a reserve component of the United States Army.
