

Submitter: Randy Wilhelm

On Behalf Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment SB947  
or Topic:

This bill limits the protection of our state and our country. It goes against what our 2nd amendment was written for. It will make the state and our country less safe. The founders of this country would have taken this very bill as an assault on our country just for the fact it is even suggested.
