

Submitter:	Rachel Nordenhok
On Behalf Of:	Oregon Citizens
Committee:	House Committee On Behavioral Health and Health Care
Measure, Appointment or Topic:	SB951

Dear Senators,

This bill is government overreach, and will cost Oregonians millions in their tax dollars. We do not need to spend this kind of money to try to control physicians and stop them from serving their community! Please remember who you work for, US, and oppose this bill.

Thank you,

RN
