Committee: House Committee On Behavioral Health and Health Care

Measure, Appointment or Topic: SB951

Good morning, I trust this message finds you in good spirits. My name is Monique Bochsler, and I serve as a PCP for Precinct 56, an alternate delegate for the Linn County Republicans, and I take pride in being an Oregonian. I am reaching out to express my strong opposition to SB 951. This legislation appears to represent yet another instance of state overreach, encroaching upon the free market. It is concerning to consider the potential financial burden this bill could impose on the state, likely costing millions of dollars. Monique Bochsler
