On Behalf Of:

Committee:

Senate Committee On Health Care

Measure, Appointment or Topic:

HB3761

This legislation is important because it expands access to therapeutic mental health services for Oregonians and empowers a growing workforce of mental health professionals. Art therapists provide trauma-informed care that enhances emotional resilience, supports healing, and improves mental health outcomes. By supporting HB 3761, you are reducing barriers for mental health professionals and increasing access to essential mental health care in Oregon.
