Committee: House Committee On Revenue

Measure, Appointment or Topic: HB3940

Tigard Friends FoodShare serves over 700 people per month with a generous load of groceries. Bottle Drop Give is imperative to our program as we consistently receive at least \$250 each month. In a world of unknowns, Bottle Drop Gives has been a consistent monthly donation that has helped make us a sustainable non profit.

Every little bit counts because we only receive donations from our community. Please don't burden non profits that are feeding our/your community!
