Measure, Appointment or Topic: SB1098

As a grandmother of eleven, I am adamantly opposed to this bill. Discrimination is a necessary act to determine the quality and appropriateness of any school library materials. We must use discernment and not allow materials that advocate illegal or violent acts, correct? Surely we should also protect children from sexualization, vulgarity, obscenity, and pornography. We should not let their minds be polluted by those in authority over them. Please kill SB1098.
