I urge you to pass SB 916. Look at the Teamsters Local 324; Corrupt owners Eric Forrest and Andy Moore have committed 10 unfair labor practices and continue to go unpunished. They tried to say that they are no longer a union, their managers have almost run over the striking Teamsters on the picket line, and it has been over six months. Given the current Trump administration, union busting is bound to be easier than ever, and less opposed. Please give us this tool so we don't have to settle for unfair contracts and have the ability to keep up the good fight. Thank you all for all you do for Oregon!
