Measure, Appointment or Topic: HB3838

In consideration of 3838, I am opposed to this bill due to the unreasonable hardships it will place upon my foster homes. As result I feel strongly that my homes will close and I would be forced to move my business and jobs to a state which would not impose such unreasonable measures for such a small business owner. I know most providers will suffer a similar fate and businesses will falter. Please vote no to stop bill 3838
