

Submitter: Eunice Waweru
On Behalf Of: Ark Adult Foster Home
Committee: House Committee On Rules
Measure, Appointment or Topic: HB3838

On my behalf of my foster home, I do oppose this bill because I can't keep this home open if this bill pass. I will be forced to close it and my residents will not be able to achieve holistic care that I provide. When making this decision think about the people it will affect especially our clients who are elderly and vulnerable and they don't deserve to be in a position whereby they have to choose. So, many providers will be forced to close down.
