Committee:	House Committee On Rules
Measure, Appointment or Topic:	HB3838

I am opposed to this bill because it will have a huge financial impact t on my home and I will have to close. I have 5 high needs clients that have no where to go. I also have an amazing staff, with families, that will lose their jobs.

This is not an over reaction, but truth, as I have investigated instances, what it would cost to pay for more than 5 days of vacation time.

We are regulated from so many other sectors, we do not need one more. Plus, I elected my legislature to make decisions at thus level. Not a committee that I have no connection to.

PLEASE do not allow this bill to move forward.
