

Submitter: Shelby Staffenson

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or SB845
Topic:

I oppose SB845. Under this bill, the Public Utility Commission would have the authority to determine whether a water system has failed and recommend, even require, another entity to assume ownership and operation. This is government overreach and could put at risk another water utility. Please vote NO on SB845.
