

Submitter: Natalya Cristurean

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB3838

This measure would hurt small businesses that provide personal attention to people who are in a valuable state. Currently the owners of adult foster care homes create a warm, peaceful and caring environment for the elderly who are often forgotten by their families. If this measure passes the elderly would no longer receive this kind of personal attention and the owners of these businesses would suffer an immense loss. This measure is not good for Oregon or its residents.
