Dear Representative,

I'm writing to strongly oppose bill HB3838. As a dedicated resident manager and caregiver, I've experienced firsthand the importance of being treated with dignity and respect—not only by the individuals I support, but by my employer and the system I work within.

In my current role, I am paid fairly and receive excellent training that helps me provide safe, high-quality care. I work in a small, supportive environment where my contributions truly matter. Bills like HB3838 could jeopardize the stability of this environment, limiting my future employment opportunities and negatively impacting the people I care for.

Please do what you can to oppose HB3838. Protect caregivers like me who love their jobs and the people they serve. Our voices matter, and we're counting on you to stand up for what's right.

Sincerely,
Kimberly Burachek
