You all should/need to read the federalist papers! The founding fathers were very careful with their wording for a reason. Please educate yourselves. The American Revolution was NOT Won by an army or national guard but by citizens just ordinary citizens. Had the colonists not found along side Washington's army we would all still be British. IChanges to the Oregon constitution you must put it before the citizens of Oregon. You took an oath to protect and defend the constitution of Oregon. This is NOT that! Shame on you if this passes!
