Committee: House Committee On Rules  
Measure, Appointment or Topic: HB3838

Please vote no on HB3838 as this will affect more of the employers and also the employees. We are a very small bussines and we offer the best care for the elderly and frail Oregonians. We don't need a union to take our rights away and the well being of our residents just so they can have more power and actually don't solve any of the issues we have. We need an increase in Medicaid funds not some union to tell us how to run our businesses.

PLEASE VOTE NO ON HB3838
