On Behalf Of: Live in Caregiver in Adult foster Care
Committee: House Committee On Rules
Measure, Appointment or Topic: HB3838

I strongly oppose the HB 3838 as my understanding is that it seriously could challenge the Adult Care homes to stay open. I am a live in caregiver and work in a care home from last year. I love what I do and it benefits me because I don't have to drive and I cant drive. Since I work here I actually started to pay off my debt while I also can do what

I love. I see our clients here feel as at home and have a relationship with us the caretakers. That is precious for us and the residents. I would love to be able to continue serving elderly in Adult Foster Care Homes. Legislators, please be wise, do not vote bills that could hinder this wonderful care option.
