Dear House Committee On Rules,

I am fervently opposing HB 3838. If this bill passes, my Care home will not be able to afford and sustain the financial responsibilities of HB 3838. Medicaid payments have a base of \$2,100.00 a month and as a Care Home, we are allowed to have five, (5) Residents. Most of the time, my Care Home serves Medicaid Residents which means, I only take in \$10,500 per month. When you start computing all the expenses involved in running an Adult Foster Home, Medicaid payments will not be able to abide with HB 3838, which means I will have to close my Care home.

The Care home business is a labor of love. I love what I do and we provide a personalized level of care that big Nursing homes and Assisted Living can not provide due to the size and caregiver turnover. Burt if this bill passes, my Care home won't make. Please do not pass HB 3838.

Respectfully, Alma Mix
