Measure, Appointment or Topic: HB3035

Dear Committee on Housing and Development,

I strongly urge you to oppose this bill. The government of Oregon needs to learn to stop spending money. Expanding a department of any kind will cost the tax payer more money. That is bad. In this case, it is even worse. The Housing and Community Services department has no business lending tax dollars like a bank. It sounds criminal. Please vote no on HB 3035.
